GOOD ANGELS IN THE CZECH REPUBLIC GROWING IN NUMBER

Who Are Good Angels?

Good Angels are donors who decided to help families with children, in which the father, mother, or a child is fighting cancer, or a child suffers from another serious disease. This devastating disease completely changes the lives of the families it touches. While costs and expenses soar, family income usually drops, which is why Good Angels are here to help them overcome such difficult situation by means of the donations that they make. To become a Good Angel, simply register at www.dobryandel.cz.

Why Choose GOOD ANGEL Foundation?

1. Donations are distributed down to the last cent.

All operating costs of the endowment fund are covered from the private funds of its founders and other philanthropists.

2. You know exactly who is receiving your help.

Each donor, i.e. Good Angel, has their own Angel ID and password, allowing them to access their Angel Account at www.dobryandel.cz. There, they can check the current amount of donations they have made, as well as the life stories and contact details of the families who they have helped.

3. It provides help every month on a regular basis.

Costs for treatment and family expenses need to be paid every month, and therefore the GOOD ANGEL endowment fund delivers donations to families with children on a monthly basis.

Good Angels Join Forces...

In some companies, employees have been spontaneously becoming Good Angels. One of the first such companies is GOOGLE Czech Republic, where Taťána le Moigne, the Country Director, presented the DOBRÝ ANDEĚL endowment fund to her colleagues:

“Later on, I found out that most of my colleagues had become Good Angels. I am very proud of them.”

These companies can be identified by the logo “Good Angels Employed Here”, which can be found on their website or printed documents, or simply posted in their offices.

Who You Like to Join Too?

To join the project, simply send us the Statement filled in by any person from your company (see our website for a form Statement). You will be entitled to use the logo when no fewer than two Good Angels work for your company. In return, you will receive the logo, and will be added to the list of companies on our websites www.dobryandel.cz under the heading: “Good Angels Employed Here.”
